

Carmen V. Grajeda

July 16, 1926 - June 4, 2021

Carmen V. Grajeda, devoted wife, mother, grandmother, great-grandmother, great-great-grandmother, and aunt was called home by our heavenly Father on June 4, 2021, at the age of 94. She was preceded in death by her parents, Santiago and Florencia Villarreal, her loving husband, Arturo R. Grajeda; her beloved son, Arturo Grajeda Jr., and her beautiful granddaughters Amanda Rose Almendarez and Liza Nicole Vasquez. Her sisters, San Juana Trevino and Manuela V. Tijerina and her brothers Pantaleon, Jose, Santiago, Felipe, Fernando, Rosalio and Alberto Villarreal. Carmen leaves her daughters Rosalinda Grajeda, Mary Weaver (Robert), Yolanda Grajeda, her sons Rene Grajeda (Anna), and Robert Grajeda. She also leaves 14 grandchildren, 18 great-grandchildren, 3 great-great-grandchildren and numerous nieces and nephews.

Carmen was born on July 16, 1926, in Laredo, TX where she lived until she met and married her husband Arturo. Together they moved to San Antonio, where they built a home and family together.

Carmen was an extraordinary woman. She believed in the strong bond of family and was always ready with advice, direction, or a home-cooked meal. She was steadfast in her beliefs and convictions, but her door was always open, and she hosted everyone with enthusiasm and joy, even if it was a first-time meeting. She lived life with passion and purpose, encouraging her

children and grandchildren to pursue their dreams and seek to build a life for themselves. And she walked what she talked. Always productive, she held various jobs outside of the home and when the time came to retire, her entrepreneurial spirit led her to start a home-based daycare and become the neighborhood Avon beauty consultant. While Carmen was the epitome of hard work, she also knew how to have fun. She loved music, dancing, playing bingo and had a delightful sense of humor. She would light up when sharing stories of younger days, going to dances with her brother Felipe and brag about her jitterbug skills. Music would play in the background while she cooked homemade meals, and she would spend hours listening to her favorite artists and singing along to her favorite songs. Carmen's lively personality meant humor was an integral part of her everyday life. She was quick to play games with her grandchildren, share a joke with friends or just be silly with her husband, who was an eternal prankster. Talking with Carmen, you were guaranteed to smile and laugh. She is and will always be a model of what it means to love and live for family. We were blessed beyond measure to have her as our mom. She will be greatly missed and forever be in our hearts.

A heartfelt Thank You to the Doctors, Nurses and CNA's at Vitas Hospice for the care they provided our mom, which allowed us to keep her at home, surrounded by her family. We remain profoundly grateful to her CNA's Miriam and Alma who always treated mom like the queen she was.

"In My Father's house are many mansions; if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again and receive you to Myself; that where I am, there you may be also." John 14:2-3

“ My Mother,

You were truly an extremely strong woman. You were lovingly hard on us with truth and direction to teach us how to make it on our own successfully. You had such a welcoming spirit. You had a smile and hello for everyone you met. Our friends often told us how nice our parents were. We were blessed.

You did everything you could for all your children and your grandchildren.

Your home was always open to any of us with no questions asked. Age did not matter, you always welcomed all with gladness and your willingness to assist. Your commitment to your family was above all. You and Dad instilled in us that a parent stops being a parent when God calls you home. But wait, this did NOT mean any of us could just get by with your help. We had to work and provide for ourselves and you expected us to learn from our mistakes and not repeat them. Thank you Mom.

I remain filled with gratitude for the person you were and taught me to be. Thank you Mother for all your sacrifices that helped us become the sons and daughters, brothers and sisters, mothers and fathers, grandmothers and grandfathers that we are today.

Rest in heavenly peace with those gone before you. Give Dad and Arthur a huge hug. I miss you but remain thankful to God for the 94 years He blessed you with.

I give thanks to God especially for the last seven years we had together to share our thoughts, find forgiveness and share our love until the day you were called home. I will carry you in my heart for the rest of my life.

For some time you didn't know we were your daughters but we knew who you were and that's all that mattered. Love you Mom!

*Your #1 daughter,
Rosie*

“ My beautiful aunt, I was so honored to have your name. The only difference is you went by Carmen and I chose to go by Maria. You were so loved by your siblings and your nieces and nephews. My fondest memory of you was your beautiful smile and your warm welcome whenever we went to your home. You were the last surviving sibling on my father's side. The family circle has now been completed in heaven. I love you and I will always hold you dear to my heart. RIP Tia 💕💕

“ She was the BEST grandmother in the entire world! I knew I could go to her with anything at anytime of the day or night. She made me feel loved and special my entire life, and believed in me more than I believed in myself.

I will carry you in my heart the rest of my life Momo and no one can ever take your place. I can't wait to see you again. Give Popo and Jesus a BIG HUG for me please!

Anna*
