“ I miss my Mom sooo much 😭  
I wish I could have more time with her. My mom was such a beautiful person so giving so loving ..now I know what she meant when she said I wish you kids were young again; I wish I were too...to still have her with me...  
as we grow into adulthood; We have a family of our own and we get so busy that we forget about our parents  
but we have to remember that our parents can never be replaced !!!  
so we need to take the time to spend with them respect them  
love them  
be patient with them  
and understanding  
and giving  
God also expects us to be that way towards our parents 🙏  
Mom I love and miss you sooo much...can't wait to see you 😘  
Dad sends his love and kisses... he misses you sooo much... you are the love of his life 💕💕💕  
I know you are in a better place with the Lord but just because you're not here with us does not mean you do not live in our hearts and we love you, we miss you, you live in our hearts and we think about you every day  
I love you mom 😘🙏🙏🙏❤️  
Your number 2 daughter... because you know how Betty is mom ... she always reminds me that she's the #2 daughter ...she is the first born 😊  
Love you and miss you so...  
❤️😘 Debbie
