“ My dear niece Carmen, you will be greatly missed by all of us you left behind. We will miss your company as we used to gather weekly for coffee and sweet bread with Tillie at the nursing home and all the goodies you used to buy to share and little gifts for Tillie. I will miss the sugared pecans you always brought to the annual family Christmas party at my house. But I still have all the good memories of all the good times we had as we were growing up in our teens to adults and into retirement age. God Bless. Love you!
