“ Mom I love you so much and I will miss you. I will miss calling and asking you what you are doing or you calling me and not answering cause I worked the night before. Then hear you say when I talk to you telling me that I was asleep when you called. I will miss watching movies with you. Your with daddy now and forever ❤️

“ Momma, I miss you so much. No one will ever understand how much I'm gonna miss you and all the fun times and talks we had. You are my everything. I keep telling myself... How amazing it is that you held me when I took my first breathe and I was honored to be able to be with you when you took your last. My home will not be the same without you or dad... I love you with all my heart, your son,
Hector
