“ *This is very hard for me to write this. Aunt CARMEN you are the best. I remember when I would go visit you and see you just smile at me. I would always felt so peaceful and could talk to you about anything. I always remember the Christmas cookies you would take me and mom. We would eat those cookies quick and forget our diets. Aunt CARMEN thank you for never one to judge me. I will always be here for Letty and your grandsons. So never worry about them. I also will be here for Autumn. She is just like Letty. I am so happy that LETTY married a good husband. I will never forget now much he helped. Maybe our family needs to be more like Perdo and stop having the dumbest excuses. I will miss you but never forget you. Thank you for just loving me. Bye my Aunt Angle until we meet again.*

“ I have missed Carmen for some time now! I have not only lost a great neighbor but a true friend, a walking partner and my lunch mate; we have been neighbors for over 24 years. After moving to the neighborhood in 1997 her and Rosie Garcia became my family. We often visited, shared food and stories of our families. Carmen saw me raise my daughter and helped me welcome my granddaughters to the world. We were part of the Ladies Auxiliary and played bingo together at the local VFW Post 837. We even rode together to go vote! I loved Carmen like a sister and will miss her dearly and will wait for our Journeys to cross paths again.

Letty, Pedro and family - my sincerest and most heartfelt condolences on the loss of my sweet and beautiful Aunt Chita! She was always there to check on my mom and dad to see if they needed anything and was such a caring and giving person. I still have several plants that she gave me when I bought my house eight years ago - I hope to have them for many more years. All my love, Yolanda
