I miss you Aunt, time is fleeting and yet no one can see it. People let things get in the way and it makes me sad and hurts my heart. Wish things could be different. Always thinking of you

“ *With my heart broken in a million pieces my Beautiful Aunt Carmen has left us to be in a better place. She always treated me like a daughter, she has shown me what it was liked to be treated with so much love. You took a piece of me with you. I'll never forget you.*

My beautiful sister Carmen, I will miss you so much. I won't hear your voice anymore and see you anymore. My heart is broken. I still have the doll you got me when I was little. I will never forget that day. That was my first doll. I love you with all my heart.

This Easter weekend reminds me of mom's funeral. Mom's funeral fell on Easter weekend and now my beautiful sister Carmen falls on Easter weekend. It's hard to express my feelings because it's so painful. I love you Carmen and will miss you dearly.
