“ Carol was always a beautiful soul inside and out. My favorite memory of hers is I ran into her at Walmart in Pleasanton. She told me Wayne’s taking me out for my birthday and you won’t guess where FISHING!!! I laughed so hard. She will be missed by a whole lot of people, but the Blessing is we will see her again one day. Rest in Peace my Sister.

“ Mrs. Ashley and her beautiful family have been such a blessing in my life. I am beyond blessed to have had the honor of being her caregiver and getting to know her. She was a beautiful soul. I always admired her ability to smile every single day no matter what challenges being thrown her way. I'll never forget that smile on her face every morning when I showed up for work and her "good morning!" She was so good to me and my children and she will forever hold a special place in my heart. I am very thankful for this entire family and the kindness they have shown me. Fly high Ms. Ashley! Until we meet again.
