“ *I am really going to miss Carol. She was such a friendly, loving, funny and lively woman. She brightened a room and has given so much to those around her. I am so glad I had the opportunity to meet her, and I know she will live on through my beautiful friend, Eileen, who has so many of Carol's wonderful qualities. My heart and prayers go out to the entire family. What a fantastic life and a beautiful angel she will be! God's blessings to the family.*

“ My sweet, loving grandma Carol was everything to me and I am so blessed to have had her in my life. She was so beautiful, funny, caring, a great listener and always there for me and others. She was like a mother to me and I will always be grateful for her. I enjoyed taking care of her over the years. Spending so much time with her was a blessing and I am so glad I was able to be with her as she took her last breath. She was my best friend and the BEST grandma and great grandma to Antonio. So many beautiful memories that I will cherish the rest of my life.

I miss talking to you on the phone almost every day. Your time on earth is done and you can now rest with Rhey. We love you and will miss you forever but I have comfort knowing you will always be in my heart. ❤️
