“ It so hard to express how dearly we all loved Carol so I will just speak for myself. Carol was one of our 'Red Cap' moms. That meant she loved us and fussed at us when needed (not me of course 😊) She has been a part of my life as long as I can remember and my childhood would not have been as rich without her in it. I cannot express how terribly blessed I was to know her, to experience memories with and to love her. She will be dearly missed but never, ever forgotten. I love you Carol and I'm certain you have already caught my Dad and Margo up on all that has happened with our 'Red Cap' family. Until we meet again, rest in peace .

“ This is a woman who was a second mother to me. And this family was and still is a second family to me. Growing up on that block cannot be matched. All of us "Red Cappers" are so blessed to have grown up in such a unique and beautiful environment such as it was. Rest in peace Carol.

Aunt Carol was a constant ray of sunshine and joy at EVERY family function. I appreciated her presence!! I also REALLY enjoyed her Red Velvet Cake 🍰. My prayers are with the family as I know they will miss her . I'm glad she is at peace now.

“ With this dear lady, I learned what true friendship is. I learned that closeness isn't measured in distance. I learned that we could start a conversation in 1977, and finish it in 2017, and it would be understood as if the whole conversation just happened. I have been blessed with this beautiful friend ship for 40+ years. I have beautiful memories that make me smile, and some that make me so grateful to have had her support to lift me through. I am blessed in every way to have had Carol in my life, and to have shared almost every moment of our children's growing up years together. We shared all their school activities together, our Alamo Cafe dinners after games, our camper vacations, the Slesheim Woods hiking tour(?), many, many birthday parties, wedding showers, weddings, baby showers, just fun get-togethers. I could go on forever, but for our Red Cap Knot's Landing crowd...it is always going to be part of us. We are connected in spirit forever. Save me a seat Carol! We will have to finish this conversation when we're together again. Until then.....
