“ Carol and I were in Girl's Sports at Harlandale Junior and High School together. She was very athletic and we both did intramural sports including track and especially the high jump. She could jump! She was the nicest person. We both lived in Live Oak TX and would occasionally see each other at the HEB and stop and talk. Also at the HHS reunions I looked for her and David to say 'Hi'. We made contact on Facebook and I'll miss her.

“ Thirty years or so ago, Carol and I coached a softball team for Tri-City Athletic League. I believe we were called the "Froggies" because of the green shirts we were issued. I knew a lot about the game of softball, but I learned so much from Carol about working with teenagers and how to balance the demands of coaching with the fun of the game. She was the bedrock of our team and, from what I could see, her family and I know she will be dearly missed. Our prayers are with Dave, Breanna and Eric and the rest of the family.

“ My heartfelt sympathy to Carol's loving family. I was blessed to work with Carol at Friedrich's 47 years ago. When we were young, our families lived around the corner from each other and our boys have remained lifelong friends. She was a kind, gentle, loving soul, always with a smile and infectious laugh. May you find comfort in all of your treasured memories and gather strength from God's grace. God bless her soul and the entire family.

Sincerely,
