“ Aunt Carol was a very special lady. She was always kind and had great stories.  
I use to call her and talk to her while I was driving home after work. She was always happy to hear from me when I called. She made me feel very special. I am going to very much miss our talks and hearing her voice. I am sorry I could not make it to Texas for her funeral.

Your loving niece,

“ I am so sorry for your loss. Carole was the sweetest lady and made me feel very welcome when I started working for RBFCU in 1993. I only worked with her for a short while but she made an impression on me that will last a lifetime.
