Tribute Wall

“ *Carole was our friend and a beloved and respected member of our Home-bound Bible Study class at First Baptist Church, San Antonio for the last 5+ years. Always a leader, she volunteered to be our unofficial class greeter for our conference call based class. Carole was a people person who had a knack for making others feel welcomed and important whether in person or on the phone. Even as she faced her own health challenges, she stayed interested in other people and their needs. She always asked how others were feeling and offered to pray for them. What a privilege it was to know her and to be her friend. We know she's in God's loving care now, but we will forever miss her. With great affection, Russ and Linda Hibner*
