I am sincerely sorry for your loss. I am grateful for the memories I have of her and pray that you all will find peace and comfort in your memories. She had so many wonderful years and I am sure she delighted in her Granddaughter as she did in her daughters. Her love for all of you was obvious and she always treated me with love, kindness and respect. Mr. Weik, I know you miss her, but I also know she loved you very much. She may be gone, but will not be forgotten. I truly believe she will watch over you all from her place in heaven and you will continue to feel her love. ❤️
