“ I just want to say you brighten up my boring life you always smile and laugh...you helped me when i needed ride, you gave me work to earn money and you visited when I was down. I've been wanting to talk to you to let you know I never disrespected you . You your smile and your friendship will be missed. You keep Dancing "Dancing Queen" by the way my mom always remembered and would laugh when you were sent to write 100 times" I will not bother my husband when he's working " it was all in joke of course but youll made my mom laugh .
