“ I send my love and sympathy to Carolyn's family. She was one special lady and was so loved by her friends at BBC. We shared studying God's Word in our SS class. As her memory got bad in the last year, we tried to look after her as her son dropped her off at church. One Sunday she was ready to go home after SS and I did not think she had been to one of our 2 worship services yet but she insisted she had!! So I asked her what the preachers sermon had been about and she very quickly said "OUR LORD"!!She was such a blessing to us all! Stella rich
