“ *Carolyn will always be in our hearts and she will be our reminder to do our best at everything we do and she wasn't scared to let you know if you wasn't doing it right. She made sure everything ran smooth at the cemetery meetings and the fundraiser every year. She was one of the biggest reasons this organization has been so successful year after year. She will be dearly missed and remembered by all of us. It has been a true blessing to know her.*

“ When my brother and I were boys Carolyn would take care of us on the afternoons mom worked. He and I wanted to make chocolate pudding and managed to surreptitiously attempt the project. Surprisingly making pudding on the stove in a glass bowl can be disastrous and thankfully Carolyn was there to clean up the mess! I will truly miss you cousin...

“ Missing my pal and long, long time friend. I can't believe you are gone. Wondering how our gang will manage without you? Carolyn was that special friend who was always there for everyone. You remembered all of our birthdays, even after all these years. I know your Kori is glad to see you again. We will all be together again one day, laughing like crazy as we always did. Norman and Kayle, you are in our prayers. Know we are here for you. May God's peace be with you.

“ *My Heart Felt Prayers go out to Carolyn's Family. Carolyn and I went through High School together. She had a great personality and I always admired her. Though we weren't close Friends, we were Friends. I am sure she will be sorely missed.*

“ *I have known Carolyn since Terrell Wells Junior High and always thought she was so smart and we had a ton of fun in junior high and high school. She will be missed by so many friends and family. This is a very tough time and I pray for Norman as his days ahead without her will be sad. Norman, I believe Carolyn is in heaven and will be watching over you and Kale.*

“ *Norman, Kayle, and family. Our hearts are broken. Carolyn was such a wonderful person. She was always a leader and took charge of every event or situation. We've known her our entire life and loved her dearly. Her wonderful personality and special sense of humor were priceless. We will miss her so much. Our thoughts and prayers are with you. May she Rest In Peace.*
