

## Casey T. Henderson

October 27, 1965 - August 12, 2025

Casey Tracene Crites Henderson, 59, of San Antonio, Texas, and a longtime resident of Sonora, Texas, passed away August 12, 2025.

Born on October 27, 1965 in Crane, Texas, to Tracy and Jeannene Crites. She pursued her education at Texas Tech University before devoting her life to her family as a homemaker. Her greatest joy was raising her daughters and working with her husband on business endeavors.

Those left to cherish her memory include her husband of 39 years, Kenneth Henderson; her daughters, Kaitlyn Strom and Hannah Lawdermilk; her sons-in-law, Davin Strom, and Collin Lawdermilk; her mother Jeannene Crites; her sister Carla Crites; her brother Tracy Crites Jr. and sister-in-law Michelle Crites; her brothers and sisters in law; Wayne & Shirley Henderson, Ronnie & Susie Henderson, Karo & Karen Henderson; many neices and nephews; and her beloved dogs Cito and Bonnie.

She was preceded in death by her father, Tracy Crites Sr; her sister-in-law Sharon Wedgeworth, and her faithful dogs Elvis and Sally.

Casey wasn't just family, she was a friend to everyone she met. She was the light in a dark room and a smile you could never forget. Her stories were legendary, and her laugh was contagious.

To many, Casey will always be remembered, but to most she will never be forgotten.

She taught us how to laugh, how to sing karaoke like no one is watching, that if you're not cheating on game night you're not trying, and most importantly how to spread love to everyone around you. Her love and memory live on through us and her passion for family will continue to bring us closer together.

She was a devoted wife, a loving mother, a best friend, and above all a beautiful soul who brought joy to every life she touched.

"It's okay to question authority ..... respectfully."

“ Many of y'all know me as the devoted little brother or the one simply known as *The Boy* (which always brought a smile or laugh to Casey. Therefore, I cherished the role of *The Boy*. One of my favorite memories of Casey was as a child I was asked who my hero was and without taking a second I said, “Casey!” Casey later asked if anyone teased me for saying a girl's name, and I said, “nope, everyone knew I was fighting serious!” Casey just laughed and said something like “ok tough guy.” Recently, I had a stroke, and my memory is hazy, but I can report, my memories of waking up in the hospital were Casey right there beside me. And, she was a welcome sight! Once I was released, I said I was going to do a better job at staying in touch with friends and family. I'm so thankful to be able to say Casey and I talked everyday since. So, if you hear people saying they should put me away for talking to myself you tell them, “that's just *The Boy* talking to his hero!”
