“ *Cata was my favorite aunt on my mother’s side. She practically raised me the first 10 years of my life as she lived next door to my family and was highly involved with our family. When we came to Wisconsin for the first time in 1952, she traveled with our family to work at Geidel Bro’s. Cannery. She was a great friend with a tremendous sense of humor and had a nickname for everyone she knew or met. We all miss her very much.*
