“ *Hello to my beautiful family. It saddens me to that y'all are hurting without his presence here today and in the future but I do know that you all had a great life and made great memories which will carry you all through the tough times. What a great infectious smile My Tio Catarino had every time I'd see him, he'd smile and tell me a story of when I was a little girl. He will never be forgotten. Lots of Love, hugs and kisses to you all. RIP Tio
