

Cathy Morse

November 5, 1958 - February 11, 2023

Cathy Morse, age 64, was born on November 5, 1958, in Fort Worth, TX. After a multiple year fight against breast cancer, she passed peacefully to be with her Lord and Savior Jesus Christ on Saturday, February 11, 2023. She is preceded in death by her husband, Robert Morse and her father, Col. (Ret) Ellis Aboud. She is survived by her children, eldest son Josh and his wife, Jess, and younger son Jon Morse; grandchildren, Lily, Jaxon and Josh, Jr. "JJ"; her devoted mother, Elizabeth Aboud; her siblings, Sandy Ross and her husband, Randy, Debbie Fox and her husband, Dino, Cyndi Navarrete, and her husband Alex; numerous nieces and nephews, as well as her "Made in the Shade Family". Cathy was loved by many and treasured spending time with her family, especially her grandchildren. One of her favorite traditions was decorating for Christmas and gifting way too many presents. She was a successful entrepreneur and helped many others leave their corporate jobs to become their own boss within her franchise. Cathy left everyone a better person than when she met them. Her legacy of love, compassion and kindness will live on through those she touched.

“ I had the privilege of working with Cathy at Summit for Brunch setup for over 10 years. We fellowship at Chosen also and she was such a beacon of God's light, laughter and fun with her fellow sisters in Christ! I recall the last time we worked together for a Brunch that displayed sn elaborate floral arrangement. She would not leave until she help me find the perfect floral that included my fave color, navy blue! She and I laughed about that! She even had promised to help me pick out the right window dressing for my next new home. She was that kind of person. Loving and willing to give of herself and her gifts. She will be truly missed. I display the floral tin centerpiece as a reminder of her thoughtfulness in my guest bedroom. ❤️ My heart and prayers are with her entire family during this difficult time.

“ *Cathy was one of the most inspirational and important people in my life. After speaking to her, I somehow had the confidence to retire from my current position of 30 years and take a leap of faith and do something completely new to me. Cathy was without a doubt already an angel to so many people on earth. I truly believe she is going to continue her good work for the rest of eternity. I will be forever grateful to have known Cathy.*

“ Beginning in 1999, remembering all the good times we had year after year, Brunch after Brunch! In 2018, thanks for sharing access to your Community Event Center for my Wedding Ceremony. Everything was perfect, truly a dream come true! I’ve been a part of your sister Sandy Ross’s , Women of Excellence Ministry for over 24 year’s, serving as Usher-Greeter , under Sandy Desmuke, until she passed away , & then under Cathy Morse leadership. I also joined The Prayer Team under the leadership of Veda Lacy! Thanks for loving “our daughter Andrea Sanderson “ and your encouraging words that you declared over her career , in tears of joy ! You will truly never be forgotten! I visited you & texted you every morning and shared many good experiences in Faith and believing God until the end of your days! Your last 2 text responses were that you love me and so I understood . I will see you again on the other side and so shall we ever be with the Lord.

“ Oh Lord, where to begin with the genuine love Cathy Morse freely gave to all who knew her?
There is no place to begin, except jump into the springtime brook of love of whom she has refreshed with God's overwhelming heart of love.
Tears flow for her beloved family as I remember Cathy's big sweet smile and loving kindness to all.
I pray her void here on earth will be celebrated and filled to overflowing with the abundance of God's heart of love and His attributes that Cathy left with us till we meet again.
I pray strength, encouragement and the many beautiful memories sustain her lovely family.
Thank-you, Father God, for giving us Cathy and the many seeds she planted in our lives while she was here with us.
We need so many more role models of love, joy and thankfulness of life as Cathy gave us.
Thank-You, Lord, and bless her dear family in all their ways.

“ You’ve only be gone a week & missing you is only getting harder. You not only were a great big sister but you were one of my best friends. I will miss our very long conversations on the phone, our text messages, our many laughing moments , your beautiful smile , your generous heart , your loving spirit. I will miss how much you adored your children & grandchildren & how you loved to shop with mom(smiling on that one). I will miss how much you loved Christmas & how you made your home look like a Hallmark Christmas movie. I will miss how many times you asked me “ if I loved your coffee table.” That always cracked me up ! I will miss how you always encouraged me in my nursing career & how you taught me so much in my present career with Made In The Shade . I will miss how faithful you were to pray for me & for so many others. The world was a better place with you in it & Im so honored & grateful God gave me you as my sister . Heaven is so blessed to have you now ! You will always be my angel until we reunite again . Your legacy will live on in all our hearts forever. I love you so much . “ It's hard to know where to begin in telling how much I adored and treasured Cathy. We first met when I became a Creation Carpets Dealer back in 2000. We became fast friends and decided we were "soul sisters"! Our friendship deepened over the years. When she began brainstorming about starting her own window covering franchise, I was there. We were all ecstatic about the idea and the name she decided on: Made in the Shade.

She asked me to become her first dealer and the rest is history! Now retired from the business, my son David Shelton is carrying the torch and has made his own niche in the industry in Clarksville, TN. Cathy also loved my son as he too was "there" from the beginning! She nurtured (and prodded) him along the way with her kind manner and sincere caring for him and his business.

In fact, David and I felt like Cathy was a true part of our family. Our hearts are broken at her passing, but she leaves behind such a beautiful legacy of gentleness and love.

Along with my precious husband, Richard, who also adored Cathy, David and I extend our heartfelt love and sympathy to all those whom Cathy adored and cherished: Josh, Jess, Lily, JJ, Jon, Jackson and Elizabeth! (And the rest of her family, whom I never met!)

She loved sincerely and deeply and this world was blessed by having Cathy in it. She was a blessing to all who knew her and her life will always be remembered with a smile through our tears.

“ I have a few memories that I will always hold close to me, but this particular memory, I think will outlive the rest ❤️ Cathy was recovering from her neck surgery and she could not do her hair by herself. Every other morning or so Robert would come in to Jon’s room where we were sleeping and tell me, “Liz Cath is ready for you to do her hair “ and even though I would be so tired usually, I remember looking forward to our time together as I would blow dry and straighten her hair. She would tell me that I did it just as good or better than her hairdresser. Cathy had a way with complementing you that made you feel so good inside even with little things like doing her hair. This picture, I attached, she asked me to put one of my pretty filters on, although this picture is beautiful Cathy never needed a filter to look radiant.

Your words are so true about my precious daughter, Cathy Elizabeth. there are no words in the English dictionary to fully describe all the many virtues and the deep love she had for everyone. I will miss her and love her until God calls me home, and we are all together again with my beloved husband.

“ Cathy was one of the most loving and encouraging people I ever knew. Her words to me were always loving and uplifting. She had a way of expressing love. She was kind to all people and helped so many. Such a gracious and beautiful woman of God. She was always a blessing to me. I will miss her.

“ Cathy and I taught together at castle hills first Baptist school many years ago when our boys were young. She was my son’s favorite teacher of all time. She was a wonderful friend to me during a very difficult time in life. She helped me with her positive words and encouragement. She was beautiful outside and inside with a giving caring spirit. I know how much she loved her sons. We talked about that often and how very important they were in her life. You boys were her shining light. I am saddened by her loss but I know she always had her faith to keep her strong. I always thought we could have a CHFB reunion one day. But now we will have it in heaven.

“ Cathy was an angel on earth, giving blessings to each person she met! She was not only exceptionally kind and thoughtful, but she had strong morals and values that she shared to help make this world a better place. I am thankful for her generous nature, support during difficult times, and encouragement to stretch beyond what we thought possible.

Heaven is so fortunate to have her there now as their angel, where she can be reunited with loved ones and her Lord and Jesus. We will miss her dearly, but know she has everlasting life, and we will see her again!
