“Dad thank you so much for all the happiness, laughter, and kindness that you brought to everyone. We all miss you so much. Although it's painful now I know over time it will get a little better. I'm doing my best to hold on to the special moments and happy times we had (you made sure there was a lot). My girls were so lucky to have the best Umpa in the world. I wish they had more time with you, but I try to take comfort in the fact that the years they did have with you were precious. I'll make sure that Skye remembers you, and Kenzie could never ever forget you. Thank you for being the best friend, dad, father-in-law, and grandpa anyone could have asked for.

Awe babe what awesome pics and ur right we have so many memories of ur dad ones we'll never forget. I know you are hurting and very upset right but like u said in time God will give u that peace that u need. And I know the girls will never forget their umpa especially Kenzie she had such a great relationship with him, we did so many things with her. She loved playing hide n go seek with him when he was home. He always did the silly things with the kids. I'm glad y'all had a special relationship babe, one no one will ever be able to allow you to forget. Just hold on to those and smile when u think of him bc ur smile is just like big and beautiful. I know there will be days u cry and it's ok just know I will be here when ever you need me babe.

“ Andria, I am so sorry to hear of Cecil's passing. He will be greatly missed. He was such a kind man with a sweet spirit I will forever be grateful to him and to you when you both came to visit Abel when he was sick and for being there for my family when he passed away. Now he, Michael and Abel are having the greatest reunion in heaven with our Lord Jesus. Praying for you and the family. Mary Ann (Romo) Fernandez and family

Omg friend God definitely has his hands full. Lol. I was thinking the same thing... imagine that reunion, wow. I'm just glad my hunny isn't suffering anymore there won't be a day that goes by I want him back but I have to trust that God will have my back now because He took away my financial support and the best friend that I knew I could always count on. But I praise God for friends like you MaryAnn that monetary gift from you and ur hunny was so unexpected, but truly appreciated. Thank u for calling and checking up on me and for ur continued prayers. Love u with all my heart ❤️
