Celestino you will be missed so much in our Family. I am so thankful that you were Jesse Godfather. You made us do happy when you except the job. You have always been there for all of us. Rick would say he went to work feeling great because you were there for Jesse and I. Now every time I watch college football I would remember our time together on the phone arguing about LSU and Norte Dame who was a better team. Remember my dearest brother I'll miss our daily conversation twice a day. Thank you for all your help. I'll be praying that you are now resting in peace.
