“ *Cesar was a great friend and neighbor, I can remember when we first moved next door to him and his family, we were building our house and working out doors, Cesar would call us and tell us " don't worry about cooking, I am BBQ, and I am going to send you some, Well that was the best BBQ with sides, and he would also tell me in his way, " don't bother trying to cook or copy my rice and beans and BBQ, because you can't" I was so funny, he was a great friend to my kids, they liked going to visit him and listen to his stories and advise, We are going to miss him dearly, he was smart, funny , if we needed something, just picking up the phone and call him, he was great!*

Our prayers are with Pat and Cesar Jr and his family

“ *Cesar was a great friend to my parents (passed) and to John and myself these past years having been raised and living as close neighbors. He was blessed with a great sense of humor and personality over a caring ethic of hard work and family care and love. He is so missed in passing by his family and friends. God Bless him on his Journey.*

“ *My uncle was a Badass .. and If you know the true definition of what a Badass is , that be him! He was the kid your parents said to stay away from, Every aspect of what he lived for and the Hustle he went thru to become the Perfect Man and to instill that on his sons and also Myself and others who had the pleasure to know him, You can't thank him enough for those life lessons that most people will never figure out! I'm thankful he let me into his life and taught me all the right things that my own Dad never could- He taught me how to be a Technician- A good 1 , And I now use that knowledge in my work today , I got schooled for free and fixed a few of my cars along the way.We always had a good laugh amongst other things, He never sugar coated anything! "Always be there for your kids and put them first", "Hustle and take pride in anything and everything you do"! " Dont forget to Vote MF!", "Money talks and B.S. walks!" Gonna miss you , but will continue to work hard and stay a Badass myself!*
