“ *I didn't meet Charlene until about 4 years ago. We discovered that we shared a passion for writing, and quilt-making. I enjoyed being with her, and she was kind to share her talents with me, and also her advice. She truly helped me be a better writer. I will never forget our outings together, our fun trips to Sam's, and our girlie lunches. She was an amazing woman to know, and I consider it a privilege that I had the opportunity to call her my friend. I will miss her, but I know she was ready to go.*
