“ *My deepest condolences to Angel and family. Chuck and I had a unique relationship. I compare it to Tom Sawyer and Huckleberry Finn, or Wyatt Earp and Doc Holliday. Chuck always said we were two peas in a pod. I always said we were cut from the same cloth as we saw eye to eye on most issues facing society. You were a friend to me when others would not be due to my chosen profession. I will miss our conversations. Thank you, and I will see you on the other side some day my friend.*
