

Charles Raymond Manley III

October 13, 1934 - January 3, 2018

Charles Raymond Manley III passed away on January 3, 2018, but not before leaving his enduring legacy on the world. Charles Manley made people feel warm and always invited in, but also he worked hard to help them maximize their potential as people.

Born October 13, 1934 in Los Angeles, CA, he is known to have insisted "he got to Texas as soon as he could, and certainly did right by his kids by ensuring they were born in the greatest nation in the world--Texas!"

A true lover of history, Charles spent the majority of his youth in Kenedy, TX before attending college at The University of Texas at Austin. After graduation, he returned to Kenedy where he recognized that building a community is the responsibility of every person, starting with himself. He aided in bringing Sears and Roebuck to town, and began his hobby as an amateur radio operator and deer hunter. He was a true friend to all, and was a master at developing contacts and making long time friends and associates. As an example, he was a veteran business owner for 50 years, and a dedicated husband and father for 46 years. Everything he did, he did in a big and beautiful way. Including 6 grandkids and growing.

We love and miss you Dad...Charlie...Charles. The only thing that brings comfort is knowledge that Grandma Ailean, your mother, was waiting right

there for you. Of all the things we remember you for--all the accomplishments-
- dedicated son rings through the loudest.

See you soon. Love, Mom, Charlie, and Barbie

“ I just got to San Antonio and I needed an insurance agent I could learn from and the Lord led me to Charles Manley. How? I googled Insurance agent to learn from In San Antonio. His name and address came up. I went there today 2/12/18 I saw the place closed and I learnt you have passed on. I went back on the Internet I found you passed on to glory at a very good age on January 3; 2017. And that you truly lived a good life. I may not have met with you, there is a kindred spirit between you and I. May God grant you eternal rest. And may God grant your family peace and consolation. Bye a mentor I never really met. I am a Christian missionary here. Tim .

“ Dear Dad,
I've never been more grateful that I have your eyes. At least I can still look into yours when I look into mine. I loved you so much, and I know you loved me because, gosh, you loved everybody. I'm sorry for everything I didn't do right. Every night for the rest of my life I'll be praying that you'll be the one to pick me up when I get to the other side. I sure would like a hug.

“ Mr. Manely was my insurance agent. When I would visit his office, he always treated me like I was part of his family. He was a kind, generous, humble man. He always did everything he could to help me and did so on many occasions over the years. On the phone he would say "It's a mighty fine, bright, cheery, sunshine morning to be talking to a great fellow like you!" It always caught me by surprise and always made me feel great. I will miss talking with him, I will miss knowing he is there. My condolences to the Manley family, my thoughts and prayers go with you. Edward Ramirez

“ Charlie gave me the opportunity to become a Farmers agent back in 1988 and helped me to be successful. We had our difference of opinions and some pretty outstanding arguments, but through it all I considered him a great friend. I will really miss him.
