“ Dear Bobbye, I was so sorry to find out today of Charlie passing. I enjoyed all the time working with him at Northside. After I retired I lost contact with him but was delighted to see he would be my LTC instructor last September. It was so good to see him again and catch up on family. You will be in our prayers. May his memory bring you strength and comfort in this time of loss. He is with the Lord and may he rest in peace.

“ I met Charlie many years ago while mountain biking in Government Canyon before it became a park. He was a loyal friend, good father and good man. I lost touch with Charlie over the past few years. The last time I saw him Charlie. He and his wife were hosting a back to school pool party. Charlie and I worked many cases together while he was at O,Conner and Marshall. I was with SAPD and backed up Charlie many times. I was fortunate to have known him. Charlie was always ready ride the trails.

“ To the original O’Connor High School family of the late 1990s Charlie will always be remembered as Officer Patton. I credit him as being the cornerstone in establishing the sterling educational experience that is synonymous with that campus in its formulative years. His caring, professional, down-home country approach to steering stir-crazy youngsters on the path to a more productive future was more memorable to many of the students than what they learned in the classroom. I wish that those who argue that a school campus is no place for a police officer could have witnessed Officer Patton in action with those kids. He was truly a marvel. All of those who were fortunate enough to call him a friend were absolutely blessed. I missed him the day he was promoted and left campus, and I miss him more today.

“ Charlie will always be a part of my heart. He was very kind and generous to me as he helped me with various problems on many occasions, never asking for anything in return. He set a great example for each of us to follow. He will be greatly missed.

“ The world lost a good man, a true kind and gentle human, the cowboy in the white hat! I've known Charlie most of my life and always liked and respected him for being a truly good person. He had the very best smile and a great sense of humor and the world is a lesser place without him. God bless family and friends for the loss...

I am deeply sorry for the loss of Charlie Patton. My husband still talks about the day he spent with Charlie getting his CCL. While I did not have the privilege of knowing Charlie, I know his beautiful wife...he chose very well. We have lost a very special man. Prayers to Bobbye and the rest of the Patton family.

Dear Patton Family...we grieve with you at Charlie's passing but know of his Faith and the love of his family and take comfort in that. All of the decades of memories from Oak Hills Church and the Patton family are sweet and comforting memories from several generations..
