“ *My deepest sympathy to the family of Charlie Martin. It is evident the you have many cherished memories of your lives together. Along with sharing those memories with others , I urge you to keep in prayer to God , who has all understanding .Philippians 4:7. states: “. Do not be anxious over anything, but in everything by prayer and supplication along with thanksgiving, let your petitions be made known to God; and the peace of God that surpasses all understanding will guard your hearts and your mental powers by means of Christ Jesus.”. May this bring you the comfort you need at this difficult time.*

“ I was just a small kid in the early 50s when Charlie and his brother, Jimmy would take the time to do things with me. We would go fishing and hunting, mess around on the San Antonio river, before it became a ditch to carry water. They were my Big brothers, my being an only child, Marie’s little boy. Our yard backed up to Gaga’s backyard, with a sidewalk my father, Oliver, made between the two houses. Gaga was my grandmother’s sister. My prayers will be with Charlie, and his family in this time of loss. He and Jimmy will still be looking over my shoulder for a little time yet.
