“ I'm sorry we didn't make it to the service. We heard through the neighbors of your loss. We will miss Charlie's sense of humor and the joy he shared with us as he gardened in his yard next door to us. We miss you too, Doris!! Thank you for loving us while

“ I worked at Friedrich from 1933 until my retirement in January 1982. I worked with Charlie and Sam Campobello for many of those years. Charlie was a very pleasant guy to work with. So sorry you had to lose him.  
God bless,  
Stuart

“ Ms. Rosmer and family:

We worked with Charlie at Friedrich A/C until we were caught in the RIF when Jack Biggers was also let go and passed away a month or so later. I have been at Pioneer Flour Mills, and Mel has been with Southeast Baptist Hospital.
