“ A dear friend of mine for 18 years .. we worked together for almost 3 years before being laid off. Her smile and laugh would warm. Anyone’s heart and brought so much joy.. we laughed and cried together. The first new years after being laid off from work we spent all of new years on line doing puzzles seeing how many and how fast we could complete the puzzles lasting to 5:30 a.m when we were so tired and to call it a night. And before that I had at Christmas I had always wanted to make tamales and she made the meat and had me and her niece Pattie over to spread the masa and stuff and roll them. She is sweet about that. Charlotte love hobbies like ceramic and gardening. She loved spending time with her family and friends. I will always cherish the time we had together.. she is and will always be missed, Ann Blackwell

“ When I was young I was in awe of all the pictures of my Aunt Charlotte in her dancing costumes. She was always so beautiful and full of life and joy. I remember she came to visit us in California back in the 1960s and taught our troop to do some dances. That was so special. She was like a star in my mind.
