“ It's 12/19/2024 and your birthday is tomorrow. Happy early birthday my angel. We now have 18 grand children and 2 on the way. The children are doing great and are and have exceeded all of our expectations. I see and feel your spirit in all of them. I think about you often and how our life would be today. The fasting and prayer we did for the children didn't go in vain. Our babies are healthy, and wise and a very loving unit. Rest on my angel..
