“ My Dear Sweet Cousin, I love and absolutely adore you. May we all be comforted in the fact that you are healed and happy. So many memories of the love you gave me especially when I was a child and in a life of chaos. You are a hero and will be missed but you are healed and happy and that makes me so very happy. I love you and look forward to the day I see you again. I thank the father that he blessed me with you. God Bless!
