“ I was shocked to hear about Cheryl. I been out of touch for many years. The Cheryl I will remember will always be full of love for life, her family, friends and community. I know the loss of parents and siblings is not easy and it hurts deep inside. She is with her Lord an no longer suffering. I pray that you get some comfort in knowing that. God bless her family and give them comfort during this sorrowful time.

“ Robert, Nicholas and Kara: I am saddened by the loss of your wife,mom, and my dear friend. Together, we have cheered on our daughters through many life events that I will cherish forever. What a great time we had with our kids during middle school activities, swim team parent cheering group, Youth for Christ parents, birthday parties, and so many other celebrations. Cheryl was a great inspiration, and a joy to "hang around with". I will miss her generosity and kindness most of all!

“ I was the Best Man at the wedding. I remember how beautiful she was on her special day. But more importantly I remember how happy she made Robert. She completed him. Now she is next to her Lord and Savior the only other better place to be.
