“ *With Love Today*

*I thought of you with love today,  
But this is nothing new,  
I thought of you yesterday and the days before that too.  
I think of you in silence and  
often speak your name.  
All I have now are our memories,  
and your picture in a frame*

“ .God looked around his garden  
And He found an empty place.  
He then looked down upon this earth,  
And saw your tired face.

He put his arms around you  
And lifted you to rest.  
God's garden must be beautiful  
He always takes the best.
