

Chloe Nicole Hopkins

July 26, 2005 - May 29, 2022

Chloe Nicole Hopkins, 16, of San Antonio, TX, went to be with Jesus early Sunday morning May 29th 2022. She was involved in a tragic car accident which claimed her precious young life all to soon.

Chloe was born on July 26th, 2005, in Marianna, Florida. A high school graduate of Caribbean Mountain Academy August 2021. She completed her first college semester at Austin Community College where she was pursuing a career in healthcare. Chloe aspired to have a career where she could help many people. Chloe was a great example of living life to the fullest. She was a fun loving, carefree, adventurous person and fun to be around. She enjoyed climbing trees, being on rooftops, loved anything chocolate, had a tender heart for all animals, loved to watch the sunset with her sister Alexis, and loved spending time with friends. Anyone who knew Chloe will tell you about her big smile, beautiful green eyes and contagious laugh. She was deeply loved by many.

Chloe's best friend in life was her sister Alexis and they were truly inseparable. Alexis was Chloe's rock, always dependable and always looking out for her. Chloe was surrounded by many important people but two who held a special place in her heart, her longtime friend Jody and her boyfriend Nathan. Chloe met Jody when she was 5 years old all because Chloe's dog was out running loose in the neighborhood! Jody was the hero that day when she brought the dog home to Chloe. That was the start of a beautiful friendship that could never be broken. Nathan showed Chloe what a God

loving, southern gentlemen really looks like. Nathan was with Chloe in her final moments, holding her hand and praying over her as she left this Earth to be with our Lord and Savior.

She is preceded by her father Richard Hopkins. Chloe was a Daddy's girl through and through and everyone knew it. She loved him deeply and we know she is with him now celebrating in Heaven. Chloe leaves behind her mother, Cathy Hopkins, sisters; Alexis Hopkins, Lauren Burns and husband Brett, Tammy Bentley and husband Chris, brother; Mark Hopkins and wife Marianne, nephews; Cooper Burns, Caleb Burns, and Riley Hopkins, nieces Kaylee Bentley and Olivia Hopkins. In addition, she leaves behind many other family members and friends.

Chloe's legacy will live on in each of us who knew her.

The Hopkins' family asks as a way to show your love for Chloe please consider making a donation to The Christian School at Castle Hills <https://castlehills.school/donate/>

“ I also remember all the times that we would cook cookie dough together or eat icing together while watching tv on the two person couch or the stories she would share after movies she watched about how life is not like what you see in the movies and eating corn together. Just laughing in general. She helped make me with any family drama I had at CMA and she was so caring and cared about everyone’s feeling. She made an big impact on anyone that she new and she made a big impact on me. I love you, Chloe. With God shall you Rest In Peace. See you up their.

“ I remember taking my daughter Macy into Castle Hill First Baptist for her first day of kindergarten. I sat in the foyer waiting for the class to open and saw this cute little girl with the cutest stacked bob haircut come bouncing down the hall, little did I know this little girl was going to be my daughter's best friend. Chloe and Macy were inseparable. Our hearts are broken. Until we meet again.
