February 3, 1976 - May 6, 2017

Chris Muller Henry, age 41, of San Antonio, Texas, passed away on Saturday, May 6, 2017 among family members after an undaunted battle with cancer. She was the beloved wife and mother of Matt and William Henry.

Chris was born in San Antonio on February 3, 1976. She was the daughter of Frank Casas Jr. and the late Vera Casas. Preceded in death by Vera Casas (mother) and Frank Casas III (brother), Chris leaves behind Matt (husband) William Henry (son), Malori Henry Garcia (step daughter) , Frank Casas Jr. (father), Jimmy Casas (brother), Jessica Town (sister), Elizabeth Valdenegro (sister), Cheyanne Casas (sister). Chris also leaves her dear nieces and nephews, aunts, uncles, cousins and close friends whom she loved unconditionally.

Chris was a selfless and loving woman, who spent much of her time caring for her young son and helping family members. She also enjoyed her time baking, camping, watching Cheers and Golden Girl reruns. Chris's smile and laughter was infectious, and being outside and watching William play with his cousins and friends, brought her so much joy. Most of all she treasured spending time with those she loved.

“ Chris, you were a beautiful person inside and out. You had the biggest heart of anyone I've ever met. It was great catching up with you last year. Who knew when I saw you last August after so many years it was going to be the last time? RIP as you are with your mother now and you are no longer in pain. Love you and will miss you!

“ Chrissy, my niece, my Goddaughter, how I wish you could be here with us. I miss spending time with you reminiscing good times, I can still hear your beautiful laugh and watching you smile. Your Uncle Larry reminded me the other day of our poker playing days when everyone could tell I had a good hand. I will miss watching the "Novela" on netflix without you, but i will watch so i can see what kept you watching it. You had to bring me up to speed...it was so much fun. I will cherish all the times we spent together. You were a good daughter, a good mother to William, and a great cook. I remember all the cooking you did when your mom was sick...it came so naturally to you and it was always so good. You must have inherited that from your mom and dad, because everything they cooked was delicious. Now, you are with your Mom, your little brother, all four of your grandparents and in the presence of our Heavenly Father, what a glorious site. I love and miss you each and everyday and one day we will see each other again. Aunt Irma Müller Martinez

“ My partner at work used to tell me I was good to a fault. Well, he never met my niece Chris Casas. Truly the biggest heart ever. So giving in every which way. As a child she loved the water. Never passing the opportunity to play with water coming out of a garden hose. The coast was a special place for her and she made it a special place for me. We would pack my chevy blazer with all the kids giving Vera, Frank and Irma a weekend off. I remember surf fishing with all the kids and her catching a huge drum fish. She remembered it being 10 lbs. All I remember is the fish being bigger than her small frame. Told her she had caught the scout. It would not be returning to warn the other fish that it was safe to come in. The excitement on her face, priceless. Sweetheart this is just one great memory of the many you gave me. I will miss your smile and laughter. And most of all... the world will miss your loving heart. I will cherish all my memories with you and looking forward for the day we make more.

LOVE YOU, uncle

“ *I miss you so much today, yesterday and I'm sure forever tomorrows but I find peace knowing that you are with Mom and no suffering is in your body. My deepest condolences to the Casas's family and all friends. She was truly special and had a smile that could light up the room with an infectious laugh to follow. God bless.*
