

Christie Ann Vargas

March 26, 1976 - April 14, 2020

Christie Ann Vargas went to be with the Lord on April 14, 2020, at the age of 44, in San Antonio, TX. She was born on March 26, 1976 in Abilene, TX. She is preceded in death by her maternal grandparents, Wilma Walker and Bert Walker; paternal grandparents, Flossie Gardner and Robert Sommers; aunt, Lynda Gonzalez and cousin, Larry Sommers aka Little Larry. Christie is survived by her loving husband of 16 years, Oscar Vargas; parents, Garry Sommers and Peggy Carlson; children, Christopher Mazzucco, Joshua Mazzucco and wife Jordan, Annabelle Vargas and Octavius Vargas; 4 grandchildren, Arabella, Kynnlie, Kamryn and Charlotte; brothers, Michael Sommers and wife Angie, and Howard "Keith" Bradford and wife Kristy; niece and nephew, Savannah and Caleb Sommers; Oscars niece and nephews, Carlos Vargas, Othon, Valeria, Manuel, and other extended family members and friends. Christie will be missed by all who knew and loved her.

Christie was a daughter, sister, wife, mother, and friend to many. She was a little spitfire with a heart of gold. She was born March 26, 1976 to Peggy and Gary in Abilene, Texas, she would spend most of her young childhood there surrounded by her grandparents, aunts, uncles and cousins. Still early in her life and thru her teens she moved to Dallas, Texas where she learned to make lifelong friends. She became a young mother at the age of 16 to Christopher then two years later to Joshua. Their father Robert and Christie remained great friends throughout the years. In early 2001 Christie met Oscar while at

work and in less than 3 years they married in San Antonio. For 7 years Christie was searching for her calling in life and it was to be a nurse. Christie graduated in 2009, from nursing school. In December of that same year she gave birth to Annabelle and Octavius.

You knew when she was around because she would draw you in with her big smile, warm heart, and southern drawl. She had such an amazing personality and she loved with all she had. If you were her patient, then it meant you were apart of her extended family because she would go above and beyond to make sure you were taken care of the right way. She was the type of friend that would drop everything to be there for you and she wouldn't leave your side. She stood up for what she believed in and gave her two cents if you liked it or not. She has touched many people's lives through her lifetime, and she will be deeply missed but never forgotten. Even though we won't be able to see her, I know we will be able to feel her presence from time to time so that we will know she is watching over us.

Her life was a living example of a poem honoring nurses, "She was there" she showed up for her family, co-workers, and patients. Taking care of others wasn't just her job, it was the core of who she was.

“ I met Christie many years ago as we attended nursing school together. When she was in the hospital on bed rest waiting on her and Oscars precious twins I would pick up lunch and visit with her. I so enjoyed our visits and will miss that laughter. Thru the years I've always held our memories close and was grateful to have known her. Prayers to Oscar and their beautiful children she will be missed.

“ I did not know Christie long, but the moment we met we became fast friends. Christie and I worked countless hours for our job, which we worked together. We would talk to each other multiple times a day and involve both of our husbands in our chats. I looked forward to talking to her everyday. If I didn't call at our "normal" time she would call me and say, "Why don't you call anymore? Why don't you write? Why don't you text? etc." It would crack me up and we would share silly nonsense back and forth. She passed away a couple of days after my 40th birthday, and believe it or not, on my birthday she was the 1st person to call me that day to sing happy birthday. It didn't matter what she was going through or dealing with...if you have something going on she wanted to help you face it head on. She had the most giving heart I have ever known. She would give her last bite of food to a stranger if they needed it. It's just the person she was. When she was getting off the phone with you (no matter if you had spoken to her 100 times that day) she said, "I Love you!" Her sweet loving heart is an example of how we all should live. I will miss my "work-wife" so much! Until I meet you in Heaven my sweet Angel. I love you and I can't wait to finish our silly shenanigans in Heaven one day! Rest easy, beautiful Love Bug
