“ *Tia Tina, I love you...you lifted my spirits, you helped with my emotional pain, and you genuinely cared about my feelings when my dad passed this summer. I couldn't have held everyone together like you did. God needs the strongest angels to help cure this awful world, he picked a the best and strongest in this family. My Dad, My Brother and now you. Please protect our family and please keep my brother and dad safe. I love you dearly and I can't wait to see you again.*
