I'd like to remember Christopher the way everyone has described him, compassionate, loving and patient. He was everyone's go to guy! Always there to listen or give a shoulder to lean on. We all have memories with Chris, you could always count on him for that hug or word of encouragement. He will be on ALL our shoulders guiding us along. I'd like to say, when you think of Chris, SMILE, I'm sure he will be watching... We Love You Chris, FOREVER!
