

Christopher Michael Pierce

August 2, 1999 - September 21, 2022

Christopher Michael Pierce joined his Lord on September 21, 2022. He was born on August 2, 1999 in San Antonio, to Michael Robert Pierce and Karen Ingrid (Weisbrod) Pierce. He is survived by his parents, his grandmother, Helen Weisbrod, his sisters Faith Lauren Pierce and Nicole Marie Uribe (husband Joseph and children Kezie, Ezra, Zimri, and Selah), brother Matthew Michael Pierce (wife Amber and children Vincent and Victor), Uncles David Pierce and Brian Pierce, Aunt Linda Deveau, and many friends here and loving relatives in Washington and Germany.

Chris attended Northwest Hills Christian School for grade school, Cornerstone Christian School for middle school, and graduated with honors from Brandeis High School in 2018 with over a year of Dual Credit Courses in college. Chris earned his Associate of Science Degree in Computer Science at Northwest Vista Community College in 2020. Upon graduating, he began working at HCL Technologies as a Java Developer. He became very proficient in Java programming and was soon promoted to teaching assistant and primary technical support person for the classes he helped train. He loved his job and was so dedicated, he would take calls at all times of the day and night assisting new trainees.

Chris also loved cats from the time he was little. His earliest cats were Tigger and Tabitha. In the last 5 years he helped rescue our current 3 cats, Cali in 2017, Whiskers in 2018, and Shadow in 2020. He loved to laugh, eat good food, have fun and travel. He enjoyed family trips to Hawaii, the Bahamas,

Orlando, Branson, Las Vegas, Arizona, California, Corpus Christi, and Germany. He is now in the loving arms of our Lord with our loved ones who have gone before us. We will miss him greatly until we meet again in heaven!

A Memorial Service will be held on Monday, October 10, 2022 at 11:30am at Cornerstone Church.

For personal acknowledgement, please sign the online guestbook at www.missionparks.com in the Tributes section.
