“ *My darling , precious Cindy. I haven't seen you with my eyes in 13 years, but i see you every day in my heart. You come to visit me some nights as I sleep, but you always leave at dawn before the light first enters the room. I reach for you and barely feel your skin as you fade to leave again. Just one touch. Just one embrace, Just one drop of water on my tongue to comfort me. I fight to stay in this dream of yesteryear and the peace it brings my heart. Happiness is rare and joy is near non existent found only in remembrances of you and the eyes and smiles of laughing grandchildren. My heart is still in pain and will never heal.*

*I will never stop loving you.*

*Your husband,*

*Mike*
