“ My dearest Kathy (Katinga). I am deeply sorry for the passing of your dad. I have wonderful memories growing up with him at VC at Tio Polo’s store and then at mom & dad’s house on Dickson. I have pictures to share. I would have been there for you, but I did not know of his passing. Know that I hurt for you and am here for you to share memories of long ago when you were a child with your dad and how he lovingly spoiled you. Delia

“ My wife Angie and I convey our deepest sympathy to Diana and her family. We are so sorry for the loss of your love one. Please know I loved my primo Cipi very much and I will miss him very much even though we didn't see each other very much now in our old age I still miss him. I very much remember the many times we had get-togethers at Paul or Lupe's house. The many dances and parties we went to too. He always had a smile on his face and was fun to be around. May our Lord and Savior Jesus Christ grant him peace, eternal rest and salvation. Some day we'll see each other again. I love you primo.
