“ *Sincerest condolences to Clara's family and friends. My father was Augustine R. Soto. I met Clara as a child a handful of times. I grew up hearing about her from my father and grandmother Juanita R. Soto. They loved her. I once visited Juanita and by sheer luck, Clara arrived moments later. The visit was very pleasant.*

My father spoke very fondly of her. One would think that she was his favorite cousin. I myself know very little of my paternal grandmother's family. I stand as the oldest grandson.

I wish I knew more of my family tree. I was told by Juanita's sister, Chavela, that it is extensive.

I can be found on social media.

I'm very sorry for your loss.

Sincerely,

Richard Soto

“ *My condolences to the family and friends of Clara Juarez. I'm sure there will be many treasured memories to share of her wonderful life. I am leaving you a comforting scripture Isaiah 66:13 says : "like a man whom his own mother keeps comforting, so I myself keep comforting you people" . Keep pouring out your grief with family and friends who are grieving alongside you and keep in prayer to the God of all comfort and he will hear you.*
