“ *We send our condolences to the family at this sad time. Uncle John was a good man and I have good memories of him. He's probably playing cards with my mom and dad now, as they did so many times during visits.*

“ I remember a sweet man who was soft spoken and quiet. I believe the last time I saw John and Darlene was in my home when they came to visit Mom and Dad. I think that I made homemade pizza and shouldn't have because the crust was very tough. =] But they were quiet and polite and ate it anyway. My memories of this sweet man was mainly at Grandma and Grandpa's when the family came for a visit and I would get to stay and play with the kids. I remember a man of few words but what he did speak was kind and with some humor added.

I am sorry for your loss and pray that God will comfort you as you celebrate his life here on earth. He is to be thanked and honored for his service to his country. Thank you Uncle John.
