“ *Sitting in the service I was looking around & noted that over half the people that was there was all classmates from Tuloso-Midway High School from the classes of 1973 all the way thru 1977. It was amazing how although some of us was kin to Uncle Jack that he had touched so many of us growing up & it showed greatly in attendance. He was loved by a lot of people & some of us didn't even realize how he had touched our lives all those years ago. I am very grateful that you was in my life so many years ago. You & Aunt Sybil touched a lot of hearts over the years. I also noticed you smiling after the service know you was at peace & we knew you was smiling down on us. Love to you always. Jackie*
