“Joyce and Family, I first heard of Clinton's death on Saturday and was saddened by the news. My sincere sympathy to all of you. I will be unable to attend the funeral, having had left knee replacement just a few weeks ago. I am going to Physical Therapy most every day. I remember all of the Bruno boys at our house at Stonewall when Grandmother Anna Jenschke died. All four boys kept us kids entertained with "Knock, Knock Jokes" that was the thing the San Antonio boys knew. All of them never ran out of funny things to tell. Those are pleasant memories. I always am happy when I would see Clinton and the family at reunions. He will be missed.

*Joyce and Family, I have many memories of the four boys visiting as Julia has. But I especially remember the many casino trips that Marlene and I enjoyed with you. I regret that I will be unable to be at the Funeral. I have had several attacks of acute upper respiratory infections with two emergency room trips and my doctor advises me to avoid large crowds. I will keep you in my prayers*
