“ Retired CMSgts. Rothwell and Cloud had a friendship that has endured through a couple of decades or more. They carried mail for the good old "U.S. Mule" after their military-service years, also.

Lloyd was a wonderful family man, full of love, laughs,

“ Dad Rothwell was quite a guy. He even went on the Mexico bus trips and didn't complain. When he came to Virginia a while back with the family, we went fishing and boy did we have fun. After that, we took a ride in the Model T and then had a garage part
