“ I will always have regrets that I was not able to attend my granddad’s funeral to say goodbye - I was too new into my job and had just used up all my leave to fly to be with my grandmother in her final days at the hospital, and we lost my granddad very shortly after her — about 3 months later. If I could have afforded the flight and the time off then I’d have been there. However, I have great memories of him and send my love to him from afar, from earth to heaven. - Cami Schmidt
