“ *Our Aunt Concepcion (Chonita) was such a gentle , loving and soft spoken woman. My recollection of her is from our visits to her home and I loved her love for the children she babysat including my Catherine and Rebecca. Catherine and Rebecca loved being at her home and never complained because they knew their Great Aunt was taking good care of them. I also admired her flower gardens because she had such a green thumb and flowers were always blooming in her yard.*

I grieve with you my first cousins and offer my heartfelt condolences on the loss of your Matriarch whom I know was loved beyond measure by all. You all took such good care of her in her declining years and I pray that those lifetime memories sustain you in your grief.

Love you all Cousins.

Hello everyone, wanted to let you all know how sorry I am about the passing of your mom. I remember meeting her the first summer I was dating Bill in Weymouth. She was a lovely lady and I'm sure a great loss as the matriarch of your family. I'm so glad Kathlene and Wilson had so many years with her as their grandmother. Please know we've been thinking of you all and wish we could be there.*

She was a lovely lady whom made our visit very special. We only met her one Thanksgiving several years ago and we had such a good time. Our granddaughter loved her so much and was privileged to call her nana, the same as the other grandkids. Our thoughts and prayers are with Rogelio, Minnie, Nicole, Debra and the boys. Love to you all, Paul, Karen and Katie
