“ *To my beautiful wife. You were taken from me much too soon. I will cherish all my memories of you, and await our being reunited. Your loving husband.*

“ *Connie I will miss you. I am so glad I had the privilege and the pleasure of knowing you.*

Connie was a kind, gentle soul . She brought happiness into this world. We spent many hours talking together while our husband searched for arrowheads. We shared a love of our dachshund pups. Little Katie was the daughter of our Oscar and Stella. Hard to believe it was over 15 years ago that Katie went home with Connie and Quinn. And a pup could never be blessed with a better home.

Your love was a gift to all of us. Connie we will miss you.

“ I am very sad that Connie has passed away. She is in my earliest memories of the Howard and Weyel families on the beach at Port Aransas, and sharing meals in the house on Wake Forrest in San Antonio. Connie was always looking after the Howard boys at those gatherings. I don't think I ever heard her speak a cross or unkind word to anyone. She was quick with a laugh, too! I will always remember the way my father's eyes would brighten and face would soften when they spoke on the phone - Uncle Marlin loved her so very much, and I know it was mutual. We all loved Connie, of course, but there was something extra special between them. My best condolence in this time is picturing those in the family who have gone before us, now reunited in Heaven! (I wonder if Connie can get a word in edgewise with Bobby there already!)
Quinn, please know that I am praying for you and your family in this time of grief.
